*you've been*

BOO'ED

Enjoy your treats, then follow these easy steps to keep the spooky good times going:

1. Place the "We've been BOO'ed!" sign on your door.
2. Pack up a boo bag with goodies, and include a copy of the tag, door sign and these instructions – or print your own at [mythirtyone.com\(ca\)](http://mythirtyone.com(ca)).
3. Secretly deliver it to a house that hasn't been BOO'ed yet!
